Zoom being recorded

If you do not want to appear in the recording you may turn off your video. The meeting settings should *Hide non-video participants*. Also consider muting your microphone and changing your name.

Note: Meetings which have been recorded are published, after some editing /cropping, on YouTube in the wppompey channel...

WordPress Mobile Apps

Manage your site with our Android, iOS, and desktop apps

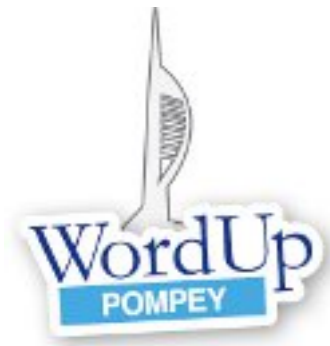

Inspiration strikes any time, anywhere. WordPress mobile apps put the power of publishing in your hands, making it easy to create and consume content. Write, edit, and publish posts to your site, check stats, and get inspired with great posts in the Reader. And of course, they're open source, just like WordPress.

This month's question

How often do you use WordPress on your mobile / tablet?
All the time, daily, weekly, once in a blue moon, this is the first I've heard of it/them, my tablet's too old. Discuss!

1. Never before
2. Once a month
3. Slightly embarrassed to say never, and my tablet is probably too old to keep up!
4. Once in a blue moon
5. Rarely, so not weekly, but more often than once in a blue moon! I usually find what I need to do requires the web version though.
6. It still works on my tablet but I can't download a newer version. I have a few sites listed, most of which I've forgotten about.
