Learn.WordPress.org

A screenshot of the Learn WordPress website in a browser. The browser tab is titled "Learn WordPress - There's always" and the address bar shows "https://learn.wordpress.org". The website has a dark blue header with a navigation menu: "News", "Download & Extend", "Learn", "Community", and "About". A "Get WordPress" button is visible in the top right. The main content area has a blue background with the heading "Learn WordPress" and a sub-heading: "Whether you're a first-time blogger or seasoned developer, there's always more to learn. From community members all over the world, these vast resources will help you learn more about WordPress and share it with others." Below this is a search bar with the placeholder text "Search for a learning resource". The bottom section features two overlapping cards: a green card for "Tutorials" and a blue card for "Lesson Plans".
